Program

17:30: Velkomst v/ Rasmus Friis & Kamille Almer

17:35: Louise Margrethe Arildsen Jakobsen

Belgien: Om at skrive speciale på Aarhus Universitet og tage på visit på University of Ghent

"På få dage fik jeg et afgørende indblik i, hvordan forsøget bag mit speciale var struktureret og hvilket arbejde der lå bag den kasse med frosne prøver, som jeg modtog i laboratoriet få uger efter"

17:55: Isabel Periquito (In English)

Mozambique and Vietnam: Working with CARE International with Children and Nutrition

"While in Mozambique I was working with CARE in some Early Childhood Development (ECD) center to check the nutritional status of this children and to bring recommendations. In Vietnam, together with CARE we where trying to find ways of improving the nutritional situation of one of the most vulnerable groups in the country, ethic minorities, living in the Northern Highlands. I hope with this presentation to bring you a bit of the fast of how it is to work and live in these countries as a foreigner and as a volunteer".

18:15: Jodie Lilltlewood (in English)

Kuala Lumpur: Working with menu Labelling

The experience in Kuala Lumpur and working with the posting of calorie counts on menu boards and menus
